## UGLY SELFIE

**Where:** Inside

**Game Length:** 3-5 minutes

**Supplies Needed:** 4 ugly selfies from SGLs in slides

**Grossness Level:** None

**Number of Participants:** 4 students

**Risk Level:** None

## INSTRUCTIONS

*Play this game as an icebreaker to Week 3.*

To prepare for this game, ask four small group leaders to send you their “best” ugly selfie face. Arrange the selfies into slides to put on the screen in your student ministry.

To start the game, call four students up on stage. The object of the game is for each student to “match” the ugly selfie of the picture on the screen. Once the SGL’s picture is on the screen, all four students on stage make their ugly selfie face at the same time. While each student is still holding their ugly selfie face, have the audience vote for the best ugly selfie by applause. The student that gets the most applause wins the round. Continue the game with the next three selfie slides. The student that wins the most rounds wins the game.

As an added bonus, you could print one of the leader’s ugly selfie pictures and frame it as a prize for the winner.
